**About the Webinar:** Scared of insurance? Do not know where to start? This presentation provides insights into ensuring that lawyers review and understand the proper insurance documents, including the declaration page, certificates, endorsements, exclusions and more. The presenters provide great tips for what to look for and where to find useful information in assessing the scope of insurance coverage. For example, insurance policies often have multiple insuring agreements. The authors will walk you through the basics of some of the more common insuring agreements and exclusions. Insurance policies often use specific terms and the presenters will walk you through where to find important policy definitions. This program is a must for lawyers starting to be involved in more insurance cases and a great refresher for those with experience with insurance.

## ABOUT THE INSURANCE LAW SECTION OF THE STATE BAR OF TEXAS

The purpose of the Insurance Law Section is to comprehensively address many substantive areas of Texas insurance law. Its goal is to have a bi-partisan focus, balancing the interests of both policyholder lawyers and insurance company lawyers. The Section will seek to provide a forum for the Texas practitioner where all areas of substantive insurance law and procedural aspects of insurance litigation are addressed. Some of those areas include environmental coverage, directors' and officers' coverage, professional liability coverage, reinsurance coverage, agent/broker issues, London market issues, emerging coverage issues, regulatory issues and many others.
