***Earn 1.0 hour MCLE credit!***

**About the Webinar:** The Insurance Law Section of the State Bar of Texas and the Austin Bar Association ADR Section are proud to co-sponsor a Zoom webinar with some of the preeminent insurance lawyers and mediators in Texas. The panel of distinguished policyholder and insurer attorneys will discuss all aspects of mediating coverage cases, including: Zoom’s impact on mediations, how to prepare for coverage mediation, privilege and disclosure issues, and what are some issues that make insurance coverage mediations unique and some potential creative solutions for their resolution.

While the panel will discuss insurance coverage issues it will also focus on general aspects of mediation, including how parties and the mediator should prepare for mediations and what the parties should expect from a mediator, including whether a mediation should be facilitative or evaluative. Time will be set aside for the panel to answer questions.
