ABOUT THE INSURANCE LAW SECTION OF THE STATE BAR OF TEXAS

The purpose of the Insurance Law Section is to comprehensively address many substantive areas of Texas insurance law. Its goal is to have a bi-partisan focus, balancing the interests of both policyholder lawyers and insurance company lawyers. The Section will seek to provide a forum for the Texas practitioner where all areas of substantive insurance law and procedural aspects of insurance litigation are addressed. Some of those areas include environmental coverage, directors' and officers' coverage, professional liability coverage, reinsurance coverage, agent/broker issues, London market issues, emerging coverage issues, regulatory issues and many others. As a member, you will enjoy these benefits:

- *The Journal of Texas Insurance Law, a publication of articles on topics relating to your practice, such as construction defect coverage, personal lines and Stowers issues.*
- *Discounts to all section-sponsored CLE programs, including this webinar.*
- *Access to the Section website at www.insurancelawsection.org where you will find a member directory, past conference materials, past issues of the Insurance Law Journal and an archive of the weekly “Right Off The Press” email newsletters.*
